Primp, prep and pamper with the planet in mind

Acquarella nail polishes (around \$19 for 15 mL) are possibly the best digit-brightening choice for the eco-conscious. While no polish will ever be a complete green dream, Acquarella polishes are a lower-impact choice and ranked the safest nail polish by the Cosmetic Safety Database. They're US-made with water-based solvents and free from nasties like DBP, toluene, formaldehyde and petrochemicals. www.acquarellapolish.com
